LOYAL SONG

*When the sun sinks far away,
In the crimson of the west,
Lingers then its fa ling ray,
On the school we love the best.*

*When at last we leave thy halls,
For the battlefields of life,
May we heed thy clarion calls,
And be heroes in the strife.*

*Bryan Hi, O Bryan Hi
May thy praises never die.
Sing we now our love to Thee,
Love to Thee, O Bryan Hi.*

Seniors

History of the Senior Class

Dear Seniors of 1935:

As this is practically the last time you will be called seniors in reference to your high school days, now is the time to discover if being a senior has in any way increased your possibilities of a better life in the future. To do this let's travel back into the grades and pick up some of the important events of the grades, which may have become slightly hazy in the onrush of years.

About 1923 the old Park School bell rang in a new bunch of first-graders who today fill the seats in Bryan High School senior classes. What trying times those first few days were to both the first-graders and the teacher! A bit of romance popped up at the very beginning. The teacher, (Miss Mullins then, Mrs. Brown, now) fainted, and one of the gentleman teachers from the eighth grade carried her out. Every one of us expected that they would marry; sad to say, they did not. From the very first, the days when the superintendent, Mr. Wyandt, visited us would be dreaded. Cramped fingers or trembling ones prevented us from making the good writing which was demanded of us, even when he stood over us.

The second and third grades had no outstanding events, but in all the lower grades it was a real treat to be excused from class long enough to get a bottle of milk. The process of going out in the hall to get the milk, and the drinking of it was prolonged as long as the teacher would permit.

For the Park school students the fifth grade held an added attraction in the first entrance into Lincoln school. Miss Patterson and Miss Mallory were the teachers of the fifth grade, and many were the arguments as to which teacher was better among the pupils. Since no person had both teachers, the opinions were

Junior High seemed to be the beginning of a new era, but we found it to mean mostly hard work—much harder than high school work. Do you seniors remember the time when Mr. Buffenbarger threw the old shoe over the blackboard, because we were cutting up? Do you girls remember the odd shapes the articles we made in the seventh grade sewing class assumed despite our best efforts? Do you remember the dreaded exams and Boxwells? Do you remember how far across the stage seemed on the night of eighth grade graduation?

The first day in high school brought us face-to-face with a multitude of newcomers from the country. Some of the friends of our grade school days dropped out or moved away to be replaced by these pupils from the country. Getting lost the first day in high school always seems an awful threat to Freshmen, but this seldom happens and teachers are always considerate. The new six-weeks test system was installed then—luckily for us. Blue slips were the flies in our soup for a time—it was so hard to think up the right excuses. Gang-night gave the girls and boys a chance to have some of their excess energy worked off. Mrs. Parker's first workout in gym helped the girls along.

The Sophomore year brought a widening of the social powers, for then the Girl Reserve-Hi-Y hunt ended up in a victory for the boys.

Junior year brought the most noticed change in the appearance of the class which is now seniors. Newcomers were filling in vacancies left by those who dropped into the matrimonial sea—namely, Clara Russell, Kate Brace, Dorothy Brace, and Emma Moog. The first carnival was a very big feature in the school program. Do you remember all those trying times in assembly—listening to some speaker mainly because Mr. Scales was bound to have a check-up on it? Then came your first Junior-Senior. Fond parents sat on the sidelines until the Blue Danube made them want to waltz again.

Senior year brought the well known phrases—"Take a little piece of paper," and "It's only my opinion." Remember taking the Boxwell test given to the country eighth grade pupils? Remember your indecision as to name cards, which were not very important after all? Remember the numerous fads started in school—among them the wearing of smocks, and the Alice in Wonderland bands? Remember your last Junior-Senior? Remember the rush and joy of that busy week filled with the senior play, *Skidding*, baccalaureate, and last of all the second climax of twelve years of school?

SENIORS NOT APPEARING—Lucille Palm, Paul Moog, Forest Castor, Rollin Billow

Remembrances of a Former Classmate

"Turn backward, turn backward, Oh Time in thy flight, make me a child again just for tonight." How swiftly Time speeds on, only yesterday.

Who remembers when Miss Mattox told us we could sit with whomever we pleased. Betty immediately seated herself with Jack Riddle, the preacher's son. Betty still has that certain weakness for preachers' sons.

Do you remember our second grade Miss Cook who changed to Mrs. Smith in the third grade? Have you forgotten the epidemic of fainting in the fourth grade all because Lois stuck a pen point in her hand?

Arlie Patterson and Gretchen Mowery were favorite fifth grade teachers and didn't all of us girls "fall" for Van Bly? "Brother" Smith was given a birthday surprise party on his eleventh anniversary and we all had such fun, we played that very fascinating game of Truth or Consequences.

Do any of you remember these classmates who at one time or another moved away: Frederick Hartman, Jane Ready, Jean Salter, Betty Sundrager and Maurice Bly?

In the sixth grade we had two beloved teachers, Miss Hiner and Mrs. Lemon, and didn't we think we were rapidly gaining in knowledge when we entered Junior High? However, that was soon taken from us after having been seen from behind the blackboard!

Remember the omni-present Gay flitting hither and yon, Donna Marie's experiences, Dorothy B. and Wavel riding to school with Eddie? Recall when in History class one day Dorothy Jean told J. R. Mick, "she didn't think Democrats were any good." Arthur arguing with "Ma" Davidson, who invariably had chalk marks on her back.

I don't suppose Bonita will forget singing in Cooking class and what delicious concoctions we made!

And finally how all of us wondered if we were going to be graduated? (Memories pleasant or otherwise).

Floating glimpses of childhood days come back to us vivid and translucent and as we grow older they will be more and more cherished.

(The Senior Class of 1935 is glad of the opportunity to show their appreciation to Mary Alice Smeltz, a friend and former classmate, who has watched with pride the progress of her class. It is she who has so willingly contributed these fond remembrances).

 Freshman 112

*When Life's wild winds about us blow,
 And happy days of youth are past,
 We'll lay aside our own pain and woe,
 And read this book from first to last.*
*And as we con it page by page,
 And live again those happy days,
 We'll quite forget our care and age;
 Yes, then we'll know our Annual pays.*

Perhaps you didn't know we have school flowers which bloom from time to time, but one of them is the flower of the year, the Annual. Every spring it breaks into bloom after a long period of blossoming. The stem of the plant, by means of which the flower draws its succor from the earth, is the Annual Staff. The leaves are those willing seniors who lend their aid without actually getting much credit for doing so. And the flower itself, is the fruit of the whole school with the purple and gold colors of Bryan High School spirit. The stamen of the flower is Mr. Wagner, who is in charge of the Annual, and the pollen is the encouragement of the faculty and the students.

Our Freshman class began this year by furnishing the amusement at the Freshman Reception. These receptions have always been entertaining and this was no exception. The Freshmen cooperated in sending flowers as a token of our sympathy for those in bereavement. In Triangular, a number of Freshman girls participated. They were Martha Peeper, Frances Aumend, Dottie Mae Kensinger, and Rachel Mathews. As for sports, the boys showed their capability. Tony Mignery and Eric Pollock were on the Reserve team in basketball and in football a larger number took part. The Freshman class this year has shown much cooperation but we are hoping we can make a better class in the future. —J. H. '38

Another year has passed and the Sophomore class of 1935 looks forward to the last two years in Bryan High School. The class has to the best of its ability held up the morals of our school, but we hope to do better in the future years. Many entered the various organizations open to the Sophomores. There were twenty-seven Sophomores on the athletic teams. Eight girls were on the volley ball squad and there were eight on the basket ball team. We had seven boys on the football squad. There were six on the basketball teams, and many more were out for track. Four Sophomores participated in the Triangular Contest. We now wait for September and our Junior year.

We, Juniors in 1935, look back on the many pleasures of our three years association as students of Bryan High. This Junior Class was one of the largest classes to enter Bryan High School. Because of its size and high scholarship it was able to make a good showing. Several varsity men of the athletic teams are Juniors. A large number of Juniors contributed to the success of the Triangular Contest; they assisted in obtaining new basketball suits, and sponsored a party for that cause. Then, of course, there is the Junior Hi-Life staff which helps in making the Hi-Life the good paper that it is. Junior members of the Hi-Y, Girl Reserves, Dramatic Club and other social organizations are all striving to benefit these Clubs in return for the enjoyment and advantages which these clubs offer them. In view of these facts, it is to be expected that this progressive Junior Class will be one of the finest Senior Classes that Bryan High has ever produced.

High School Gossip

The Freshmen started the fad of getting a steady and much to our woe, they didn't stop with Freshmen, they stole some of the upper classmen. We hoped Tony would start a precedent by keeping within the class when he chose Sid..... but Eddie soon broke over and swept Dean out of circulation.....Nancy took another feather out of our hats when she grabbed Oscar.....I guess she is perfectly capable of taking the wind out of his sails though.....Vivian and Excel Belle make a pair and claim they get around a great deal.....Marian White—a Freshman that gets a lot of attention... What's this we hear about Dottie Mae Kensinger and Fred Scott? (Better see Fred).....Janet Lindsey has taken an option on Paul Snyder's ring. Tisk Tisk..... Evelyn and Whitey seem to get along.....Bob Swift seemed to attract several Freshman girls, two who fell for his charms were W. Murray and Mary Klender. Anymore, Bob?.....They break up but they go back together again, ask Forest and Donna.....Here's to the future romeos of B. H. S., Dick Tawney, Bob Tracy, Junior Schatzer and Max Castor.

The Sophomores overcame their shyness rather rapidly and blossomed forth with new love affairs. Olene has kept us in suspense as to who her next victim will be.....so far, Max, Jim and Vayne lay by the wayside.....June weathers the storm through thick and thin..... true to Herbie to the last.....We were rather puzzled as to where Nedra Schatzer stood.....for she seemed to have outgrown her high school friends and has turned to the Alumni.....An example of true devotion is found in the lovelorn Evelo and Chester.....D. Wiland and Mary Silliman found suitors in Ford and Dierks..... Degroff and Mains are two maidens who have caused a lot of commotion (in the halls).

The Junior class is an unusually lively one, but dating appears old fashioned to them.....Wonder what the class of '36 will do during leap year? Boys, Beware! Eddie Willett seemed to have caused Dorothy's and Margaret's hearts to flutter a bit.....Choice bits of gossip about Boylan and Rex have caused the halls to buzz..... Oh! if walls could talk.....LaVerne and Rudy seem to be hitting it off O. K.....The Hearts of Charles and Harman turned northward.....Christman and his carloads of boys have attracted the attention of the fairer sex (not only in Bryan).....What's wrong Jack, you kind of let the girls down.....For an ideal couple we present

D'Nelle Mason and George Gebhard.... the Hitt-Impton affair was swell while it lasted.....What's Vollmer doing with Bob Sprow's pin?.....Four of our fair maidens seem to prefer the village of Ney, viz. Pask, Schatzer, Friedel and Hitt..... (also a certain senior—M. Crepps).....Sprow and Mick make us dizzy following their tracks.....Dick is one of those good old fashioned boy friends who believes in giving candy and writing letters.....Better keep track of him.....He's a good leap year prospect.

As one becomes a Senior he becomes sophisticated to the extent that high school friends no longer hold any attraction.....However, there are a few exceptions.....a new girl, Mary Shearman, is very popular with two Juniors—Max and Arnold.....strong competition....Max seems to have the upper hand at present.....Ralph Rotsel certainly caused a lot of anxiety.....but Pauline has excelled over the rest of the girls (there seems to be some one in Defiance also.....we're for Pauline.....D. J. Tawney has quite a correspondence course with Wauseon, Napoleon, Defiance, etc.....Charles Smith has worried many a Senior girl, but he is among those who prefer 'Pelier..... It has become quite a fad to be engaged.....Wavel, Lois, and Helen, are all wearing diamonds on their fourth fingers now.....Oh! love's grand!.....just ask them.....We certainly miss Keible's endearing charms.....Bonita prefers Ohio State.....Shockley and Schartzner are a couple of uncaptured prospects.....girls opportunity is knocking.....Struble and Sprow make a keen looking pair and are seen quite a bit together.....Dorothy seems to have Mort all tied up (but we understand he took advantage of her being quarantined).....we won't tell on you, Mort.....Say! have you heard about Leslie Mattoon and Frances..... Shush! it isn't nice to GOSSIP

Organizations

Organizations

*Hand over hand in a linked band
We forge the enduring chain,
Though our lives be apart in home or mart
We'll ne'er be alone again.
For if service ranks the same with God
In service we all are one;
Oh, the year's at the spring, and the day's at the morn,
And our day has just begun.*

*Oh, we labored and lived alone for long,
Lost in the city's maze;
But the need of each other for the other was strong,
As we passed on crowded ways.
But the friendly spirit of sisterhood,
Seeing the needless rift,
Has brought us into the comrades' chain,
Ministering thus her gift.*

Many students are enrolled in the various organizations of Bryan High School. The Annual Staff feels that the well-being of any high school is determined by the student's participation in the activities through the numerous organizations.

Everyone has a chance to express his own ability. If he is interested in dramatics, the Mask and Sandal Club; if in agriculture, the F. F. A.; if in religious organizations, the Girl Reserves for the girls, and the Hi-Y for the boys, and if in student government, the Student Council. If the student is interested in music there are the Boys' Glee Club, the Girls' Glee Club, Chorus, Band and Orchestra. Bryan High School is proud of its various organizations through which a student may express himself to his own talent.

We as Seniors realize that in order to enjoy life while in high school, we should participate in the various activities.

—H. S. '35

The Student Council is the advisor to all the other organizations in the school. It is their financial backbone. This year the Student Council paid for pins for the Triangular Contestants, the Senior Scholarship fee and bought a Bible for the library. It also met various deficits in the high school and sponsored the assembly programs and major social events of the year. Its main source of income was the candy sales in the hall each noon and evening. At the beginning of the school year the Council voted to adopt the use of student activity tickets. The ticket enabled the students to attend nearly all the school activities at a reduced price. A plan was developed by which the student could make a weekly payment toward a ticket, which made it easier financially, for the students. This system proved very successful and we hope to continue it in the future.

Triangular which occurs once a year and is one of the great events of the school calendar, gives Bryan students a chance to surpass those of Wauseon and Napoleon; however our attempt was unsuccessful this year. There were several additions made to the program: two more persons were placed in the double trio, which then became a double quartette, and an instrumental solo was also added. The topic for debate was: Resolved: that the Federal Government Should Adopt the Policy of Equalizing Educational Opportunity Throughout the Nation by Means of Annual Grants to the Several States for Public Elementary and Secondary Education. There were also a piano solo, a boy's and a girl's vocal solo, and the oration. Bryan lost to Napoleon but won over Wauseon.

A school paper should set forth specific reasons for its existence. It should have definite objectives for which to strive. Although the motives behind the publishing of the Hi-Life are not always kept in mind by the students. The underlying purposes are these: *First*, to form a bond of common interest between our students, our faculty, and our parents. *Second*, to provide a means of expression for our student talents and opinions. *Third*, to foster good citizenship and stimulate student morals in our student body. *Fourth*, to promote a lively interest in all our school affairs and organization activities. *Fifth*, to strengthen in our student body that necessary quality of school life called school spirit. It has been the Hi-Life's honest attempt during the past year to search out the reading interests of our student body. The Hi-Life has tried to keep itself sensitive to criticism from all angles. Indications are that it has, in the main, met the student body's specifications for a school paper. —S. H. '35

Formed in October, 1934, the Bryan High School Orchestra has functioned successfully since that time. This group of aspiring musicians has furnished music for all the dances sponsored by the High School and has in addition, played on several outside engagements. In this way more money can be obtained for the purchase of new music and to meet all other necessary expenses. Since all members but three are at present in our High School, it can easily be seen that it is truly the High School Orchestra. Walter Robrock, our science teacher whose initiative started the orchestra, is faculty advisor and director. Max Shook, who in cooperation with Mr. Robrock has helped a great deal in developing the orchestra, is leader and vocalist. Fred Scott is student manager.

The precedent set by Hi-Y clubs of the past has been well upheld by the club of 1934-35. A well-rounded schedule, along with the cooperation given by members, made this a generally successful year for the Hi-Y. Varied programs throughout the year, heightened interest in the club. Among these programs were vocational talks by prominent business men, and teachers, round tables, temperance talks, hobby discussions, and religious programs. All these helped in carrying out the purpose of the Hi-Y to create, maintain, and extend throughout the school and community higher standards of christian character. High lights of the year were the reception of new members, the annual G. R.-Hi-Y hunt (Hi-Y the winners) bean feeds and games, the checker tournament, and the district conference at Wauseon.

To whom will this Girl Reserve remembrance be the most lasting? Will you not agree with me that the Seniors are the ones who will be the most interested? As the underclassmen advance to the station of "the bold and mighty Senior," again it will be that certain issue of the annual, that certain write-up of our Girl Reserve Club that will interest them more than any other in a former annual. Rather than go into detail about our programs this year, don't you think it would be better to sum up our accomplishment as a whole? We have tried to cooperate a measured degree of reverent, social, and educational benefits, in our club activities this year. And I am inclined to believe that these three mediums have blended into one beautiful picture, which Bryan High School can proudly hang in its gallery of worthwhile accomplishments.

—B. N. '35

This was a fresh, sincere picture of American family life, showing Marion Hardy, a modern college girl who falls ecstatically in love with Wayne Trenton just as a career is opening up to her, and the difficulties she has in adjusting her romance. Then there were the two pretty young daughters who chose to marry before they finish their education and want to "come home to mother" at the first sign of trouble. Mother Hardy was so upset at the modern tendencies of her daughters, that she went on a strike in order to straighten out her family. Young Andy Hardy was an adorable adolescent lad with his first "case"—a typical Booth Tarkington part. He kept the audience in a gale of merriment with his humorous observances. Grandpa Hardy touched the heart with his absent-mindedness and his reminiscences about Grandma; and the white satin slippers he made for Marion to be married in, had a great deal to do with straightening out her love affair. Humor was blended with pathos and a deliciously garnished philosophy makes "Skidding" more significant than the average comedy.

With the largest attendance for a high school play in some time the Mask and Sandal Dramatic Club presented "Loose Ankles," a hilarious farce, to a highly appreciative audience. The play was one of the best comedies that the club has presented and while W. F. Haugher, director, had only one member of the cast with experience, it was given as smoothly as if the actors were old-time players. The Critic there greeted with delight the appearance of an amateur play worthy of praise, ably presented from the beginning to the final curtain.

—H. S. '35

The Mask and Sandal organization of 1935 had a successful and interesting year. Modern playwrights were chosen as the theme for the year's work. The public was invited to an open meeting on April 9. There was a very good response, especially of prospective members of the club. The future for this organization looks bright. Each year the interest is increasing. Their play "Loose Ankles" was an unusual success, due to the patient efforts of their advisor and director, Mr. Haugher. The proceeds of this play plus the club's reserve fund was donated toward the purchasing of the new motion picture machine. This year Mask and Sandal has aided Bryan High School financially as well as dramatically.

Several projects were accomplished. The first one was the serving of the Ohio State Banquet. The plans and work were done by the girls of the Home Economics Dept. under the supervision of Miss Lehman. Several of the ladies helped. The second project was the serving of the Dramatic Club dinner. The Se-Co club appreciated these opportunities for they were practical experiences and financially profitable. The club girls entertained with a potluck supper for the F. F. A. boys. One of the most interesting meetings which has been held was the hobby meeting at which time the members told of their hobbies. The club has great prospects for the future.

The purpose of the F. F. A. organization is to promote vocational agriculture in the public schools; to create more interest in the intelligent choice of farming as an occupation; to create and develop a love for country life; to encourage cooperative effort; to strengthen the confidence of the farm boy in himself and his work. Individual attainments constitute the basis for advancement from rank to rank in an F. F. A. Chapter. Class work of high order, successful handling of project work, evidence of thrift, and a practical demonstration of leadership among one's fellowmen are the passports to the higher degrees of the organization. We gave programs for Granges, the Institute, and exhibited our projects at the County Fair. A dairy judging team is being coached for the judging contest at Toledo State Hospital, April 29. Teams will be entered in the state contest at Ohio State University in June. The improvement being brought about by Vocational Agriculture in our community cannot be measured in dollars and cents.

Our Twin Arts club boasts the largest membership during its four or five years previous existence. There are about fifty girls in this club. Boys are not excluded, but the majority taking commercial subjects are girls. The reason for the increased membership is that we took in besides all eligible members from shorthand and typing—the twin arts—all the bookkeeping students who cared to enter. Because of this addition the meetings were made as general as possible so as to interest the bookkeeping students, also. Alternate meetings were held on Thursday evening; there being a social and then a business meeting. The club project was a ten chapter mystery story, each chapter of which was written by a different person. Under the capable and lively direction of Miss Goeller, the club has attained a little worthwhile knowledge and a sense of humor.

The Bryan High School Boys' Glee Club has had a very good year under the expert supervision of Mr. Capen. He has striven for a fine Boys' Glee Club and has a very good start, as many boys from the lower grades have come in and furnished good material. The club has given two concerts this year and won the contest at the county fair at Montpelier. Mr. Capen thinks we shall also win next year's fair contest if the boys continue to work and cooperate. The boys owe all the credit of a fine organization to the sometimes strained patience and diligence of Mr. Capen. It was by his ever pushing ahead through all kinds of obstructions that we accomplished so much and shall accomplish more in the years to come. —J. P. '37

With the music department expanding so rapidly it was necessary to schedule rehearsals for two organizations the first period on Monday mornings. Mr. Capen could hardly direct the band and girls' glee club simultaneously, so Mrs. Capen was inveigled into taking charge of the latter.

In the fall the girls' organization won first honors in the fair contest, thereby keeping pace with the boys. Later the combined glee clubs presented to a very appreciative audience a Christmas program consisting of several familiar Christmas anthems and the celebrated "Christmas Oratorio" by Saint-Saens. The chorus was ably assisted by Mrs. Austin, Miss Roux, Mr. Doolittle and Mrs. Vollmer, accompanist. Following the Yuletide holidays, the annual Spring Concert, which consisted of a beautiful secular Cantata, "The Rose Maiden" by Cowen. This concert was given in the auditorium on May 10, the chorus being assisted by an instrumental ensemble of local musicians, and soloists from the college at Bowling Green. —D. S. '36

The High School band has now been organized for one year. During this short time they have grown from a membership of 17 to the present number of 50 players, drawn from all the grades. This band has not only grown in size but developed in its playing ability. It has a good repertoire of marches to play at school athletic contests which everyone enjoys hearing. It is hoped that the next step in our progress will be to uniform the entire band.

1934 Foot Ball

As usual, the public believed we should have won all our games—but we didn't. The results below are rather gratifying to look at. We lost few league games and we made the Defiance Champions look very sick in the contest here. Some of our players were really green and the experience they received means more victories later. We trust some of those Seniors will attend college and make use of their growing ability. The team looks especially husky in the pictures—we believe they ought to hang with the other huskies in the gym hall.

In everything that is done some one does part of the work and never gets any of the glory. In sports it is the managers. John and Bob Leinard were the football and basket ball managers and they certainly did a good job.

Foot Ball Players

- Walter Impton—*Junior* Back
Walt is at his best when the going is the toughest. His deeds tell better than words why he was chosen Captain.
- Rhinehold Dierks—*Senior* Tackle
Rhiney was a stone wall on the defense, but on the offense he tore them to pieces.
- Lloyd Skeeters—*Junior* Back
Skeeters was fast and slippery when plunging through the line.
- Earl Carlin—*Junior* Tackle
Earl, afraid of nothing, could handle them all big or small.
- John Partee—*Junior* Guard
Is like a lion at the entrance of a cave, he needs a lot of dark space behind. He filled his position to the highest degree.
- Ted Lawrence—*Sophomore* Guard, Tackle
Ted, a good defense man, needs more experience in blocking.
- Kenneth Miller—*Sophomore* Back, End
Kenny has good football sense. He is both swift and treacherous, liable to break away at any time.
- Harold Corwin—*Junior* Guard
Enjoyed the game and played it hard.
- James Myers—*Senior* Guard
One of the most willing workers on the squad, he saw considerable service.
- Max Phillips—*Sophomore* Tackle, End
With experience in these two positions "Maggie" should develop into an excellent defense man.
- Paul Moog—*Senior* Back
Always an excellent defense back Paul came thru this year with more than his share of scoring punch.
- Julian Ridenour—*Freshman* Back
Fast and elusive, he will develop into a star.
- James Small—*Sophomore* Back
Jim's kicking was a great asset, making a triple threat, he should improve.
- Jack Fox—*Junior* Center
A dependable snapper-back, diagnosed plays well and was an important defense cog at times.
- John Schatzer—*Senior* Tackle
A loss of weight and acquisition of desire to do things made "Butch" hard on the opposition.
- Eric Pollock—*Freshman* End
His speed, courage and natural ability made him a regular in his first year. Watch him next year.
- Edwin Willett—*Junior* Back, Guard
Not a seasoned veteran Eddy was shifted about but always gave his best.
- Arthur Newcomer—*Senior* Tackle
Another senior who kept his team mates busy or on the bench.
- Dale Shackley—*Senior* Tackle
Handicapped by injuries in early games, Dale came back strong and finished the year in good fashion.

1935 Basket Ball

The basket ball team kept us all guessing this year. We would go to a game all down in the mouth feeling we hadn't a chance in the world to win—and lo and behold the team would come through with flying colors. Then as sure as we had our confidence all worked up to the extent of being cocky, the team would have a bad break and the school would get in the dumps again (until another pep session). But all this made the season more interesting—especially during the tournament. According to the scores the team was only a little above average but a long way ahead of 'Pelier.

Basket Ball 1934-35

Jack Fox—*Junior* Guard

Captain Fox was one of the main cogs in Bryan's team. He was picked as guard on the all League team. He ranked among the high scorers.

Ralph Rotsel—*Senior* Forward

Ralph's place is going to be a hard one to fill because of his swift pace and his good eye for the basket.

Kenneth Miller—*Sophomore* Forward

Kenny kept the team going when they most needed it. Bright prospects for a future star.

Robert Sprow—*Senior* Guard

Bob had a good eye for the basket. His playing will be missed next season.

Lyle Harding—*Sophomore* Center

Huck's height and position as center gave us a great prospect for future seasons.

Herbert Brannan—*Senior* Forward

Herbie had plenty of fight, spirit, and a good eye for the basket.

Edwin Willett—*Junior* Forward

Eddie with indomitable fight and a conscientious worker has a bright prospect ahead for future playing.

Grover Bliss—*Junior* Guard

Grover, although not being a regular, showed up when he was most needed.

Reserves

Sloan—*Sophomore* Forward

Bob follows the game well and is willing to strive for better work.

Hoffman—*Junior* Center

Bernard has the right spirit and should be in there fighting next year.

Clock—*Junior* Forward

Norman is a good ball handler and has a good eye for the basket.

Pollock—*Freshman* Guard

Eric, although a little rugged and inexperienced, has a promising future.

Small—*Sophomore* Forward

If Jim keeps on progressing like he did this year he will be a varsity player next season.

Phillips—*Sophomore* Center

Maggie's height should gain him a position on the varsity next year.

Mick—*Junior* Forward

Bernard being a smooth player keeps the score going upward.

Impton—*Junior* Guard

Walt has the knack of working the ball down the floor rapidly.

Mignery—*Freshman* Forward

Tony only being a Freshman has a promising career in B. H. S. athletics.

Row I—Coach Geer, Mgr. Leinard, Johnston, Salisbury, Lirot, Lawrence, Coach Lathrop
 Row II—Bramman, Daniels, Miller, Mosher, Green, Impton, Boylan
 Row III—Thomas, Stine, Partee, Gardner, Shape, Leinard, Mick, Harman, Heald

Track

The 1934 Track season can be looked back on without any regret. The team participated in five meets and won all of them.

In the Intra-Class meet the Seniors and Freshman team beat the Sophomore and Junior team. In a triangular meet with Auburn and Hicksville, Bryan eked out a victory by $\frac{3}{4}$ of a point. The final scores being Bryan 56, Auburn 55 $\frac{1}{4}$, and Hicksville 15 $\frac{3}{4}$.

Ten schools entered the Bryan Relays. Bryan turned out to be a very unobliging host by winning the meet. Wauseon was second and Napoleon third.

In the triangular meet with Wauseon and Napoleon, Bryan won. The scores were: Bryan 78, Wauseon 51 1-6, Napoleon 35 5-6.

The league meet was not such a walkaway for Bryan. Bryan scored 64 $\frac{1}{2}$ points, Wauseon 57, Napoleon 46, Defiance 37 $\frac{1}{2}$, Montpelier 10, Liberty Center 10.

During the season Mosher set a new discus record, Bryan High School Track record of 114 feet and 9 inches. Thomas set a new Bryan High School record and tied the five feet nine inches, Track and League records in the high jump.

Diary

A Senior Girl's Diary

SEPTEMBER

4. Well here we are back in the fun house again after our glorious vacation. From all appearances Thomas Jr. and D. Betts are really serious.
6. Mr. Scales again goes over the boresome routine of explaining different rules to the Freshmen. Seems like Cy's is quite popular these days, all the kids are going there now.
7. Today the Freshman girls were carrying silly signs on their backs. For example "kick me." We have some cute little Freshies this year. Little Sid and Tony will look swell together in one of Haugher's plays.
8. I wonder what it was all about concerning a couple of Sophies who walked home from an auto ride. For further detail see Evelyn Crist.
10. Our school finds some more intellectual power in our newcomer, Gineth Henning.
12. Herb and June are sure that way. They make a cute pair.
14. Boy did Bryan ever capture the musical honors at the fair today. I guess we're good. Say by the way, do Haugher and Scales ever like hamburgers. Scales ordered one and it was so huge that he lost it in his hollow tooth.
16. Plattner and Wille are just as much that way as ever. Lois loves to be seen with a baby buggy. She seems to enjoy the kidding.
19. Boys' gang night. Those poor kids, and they were such cute babies too.
20. Several Hi School girls are rendering their abilities to *Crazy Politics*. We have oodles of fun at practice.
21. Our first ball game today. We played Edon and brought home an easy victory.
23. Fat Schatzer fell down stairs today and Brookie DeGroff was transformed into a door mat. Of all to fall on it would be Brookie.
26. First pep session of the year today. Boy was it ever a honey. Also girls' gang night..... plenty to eat and an over-dose of exercise.
28. Hear ye! Hear ye! Our annual Freshman Reception. Does little Castor ever look ravishing in a high chair. Miss Lehman made quite a good looking baby herself.
29. Boys played Findlay today.
